

# THE BACH INSIDER

AUGUST 2025

Funding Statement  
The trainings offered by BACH are at no cost to participants in which 100% of the training cost is financed with Federal money through the U.S. Department of Labor in the amount of \$827,905.

## BACH's H.O.P.E. Project one-on-one coaching sessions off to a strong start

We're excited to share that BACH's H.O.P.E. Projects one-on-one coaching sessions are officially underway!

Following the completion of the Readiness Assessment Survey, our team has begun working closely with participating organizations to dig deep into their unique needs, challenges, and goals. These personalized coaching sessions have provided a valuable space for reflection, planning, and envisioning

From strategic goal setting to program development insights, the conversations so far have laid a strong foundation for real progress and collaboration.

### Haven't Scheduled Your Session Yet?

If you've completed the readiness survey but haven't yet had your first coaching session, it's time to get on the calendar! Please contact our Apprenticeship Program Coordinator, Rania Almoraisi at [ralmoraisi@baltimorealliance.org](mailto:ralmoraisi@baltimorealliance.org) to schedule your appointment.

### Ready for Your Next Steps?

For those who've already completed their initial coaching session, great work! You're now ready to schedule your next meeting, where we'll:

- Begin drafting your program framework
- Walk through the budget planning process
- Finalize the goals and structure of the program you want to create

We're here to guide and support you every step of the way, as we build strong, sustainable, and mission driven initiatives across our community.

## Get Your Tickets to the H.O.P.E. Project Symposium & 20th Anniversary Celebration

BACH's H.O.P.E. Project is thrilled to announce that tickets are officially available for this year's highly anticipated H.O.P.E. Project Symposium, taking place on **Wednesday, October 16, 2025, at 10 AM!**

This year is extra special as we also celebrate 20 years of impact, community, and growth, and you're invited to be part of it.

### Ticket Options:

- H.O.P.E. Symposium Only - \$45
- 20th Anniversary Celebration Only - \$55
- Both Events - \$90

Join us for a powerful day of learning, connection, and inspiration during the Symposium, followed by an unforgettable evening of celebrations, stories, and impacts we commemorate two decades of Baltimore Alliance for Careers in Healthcare.

Don't miss this opportunity to be part of something meaningful, so [click here to grab your tickets today!](#)

## 2025 BACH Fellows Summer Internship Program From Potential to Purpose!

On August 1, 2025, we proudly celebrated the accomplishments of our Summer BACH Fellows during the Capstone & Closing Ceremony. This year, we had the privilege of hosting 23 outstanding high school and college Fellows in the five-week program, working across eight BACH healthcare partnership sites and two additional dental offices.

Throughout the summer, Fellows gained valuable hands-on experience, built professional skills, explored careers in healthcare, and so much more. Each Fellow also completed a Journey Map to reflect on their growth, learning, and future aspirations.

The Capstone showcased their hard work, dedication, and the personal and professional development they achieved.

A huge congratulations to the 2025 Summer BACH Fellows for a job well done - your commitment, enthusiasm, and determination have made this summer a resounding success!

## H.O.P.E. Project Technical Assistance Portal Now Live

We're excited to announce that the H.O.P.E. Project Technical Assistance Portal is officially live! This online resource offers comprehensive information about the H.O.P.E. Project, along with step-by-step guidance for starting your own frequently asked questions, helpful templates, and other resources to support your journey.

Whether your organization is just beginning to explore creating an apprenticeship program or already has one in place, the portal provides tools, resources, and best practices to help you launch successfully or strengthen and expand your existing program.

[Click here to start exploring today!](#)

If you have any questions, need tailored guidance, or want to learn more about how the H.O.P.E. Project can support your goals, please contact our Program Coordinator, Rania Almoraisi, at [ralmoraisi@baltimorealliance.org](mailto:ralmoraisi@baltimorealliance.org).
